FRANK CHURCH REFLECTING WRITER'S
AGGRAVATION TOWARD HIM;
SENATOR FRANK CHURCH - VICTIM
MISCELLANEOUS
(OO:LS)

66415045

Enclosed for the Bureau is the original and three
Xerox copies of an ambiguous letter forwarded to Senator
FRANK CHURCH.

Enclosed for Louisville are two Xerox copies of
the letter.

This letter was received by WFO of the FBI on 4/6/76
from SAC MASTROVITO, Intelligence Division, U.S. Secret
Service Headquarters in conjunction with the Bureau's
liaison and coordination of matters of this type with USSS.

SAC MASTROVITO has advised that the envelope in which
this letter was forwarded was inadvertently destroyed by an
unidentified mail clerk assigned to Senator CHURCH's office.
Continuing, he advised this is a usual procedure in order to
minimize bulk paper and file space.

The letter reflects the writer's agitation toward
Senator CHURCH and his policies.

REC 80 MCT-29 62-117007

USSS has made a check of their name and visual
files of previously submitted letters with negative results.

Office of the Editor
Courier-Journal
Louisville, Kentucky

Dear Mr. Editor:

When I read that the Associated Press has disclosed that there is a "worldwide terrorist network", it makes me think of what an American taxpayer told me, that "the best bicentennial for us would be for a plane of liberation terrorists to fly over and drop an atomic bomb on the surrender prone liberals in Washington D.C. Then former Secretary of Defence Schlesinger, with the military-industrial complex and the CIA could save the fifty states, with D.C. blown off the earth".

I told him that while he is wishing, wish that the so-called "United Nations" highrise, the headquarters for thousands of Russian spies in America, be toppled over in the East River. Also, in these events, many innocent, honest people would be killed "for their country" as we were told when they sent a hundred thousand American boys to Asia in a no-win war and murdered "for their country". We read in the brain washing news that "Americans are simply going to learn to take it as a way of life". Eric Sevareid asked on T.V. "can the world be saved?". Yes, without the quislings in the State Department, the radical edicts from the Supreme Court and without the labor bribed politicians in Congress, the people of the United States, with a more powerful Navy, can save the World.

Very sincerely,

Not you

b7C

P.S. Public Opinion rates Church leaders- 24%
Industrial leaders who give labor jobs-16%
President of U.S. and bureaucrats -11%
Congressmen of U.S. -- 9%
It seems that the lowest of all, are
the majority of the few people who vote,

*you don't
state that*

After reading and seeing you on T.V. I think you are the worst traitor in America of all.

*How much watching funds do you have hidden away?
That is the only reason you are out.*
